

Mode of Study: Online

Cohort Commencement: January 2026

Dear Mr. Sreedhar K,

Applicant ID: C1022503100199

TO: Mr. Sreedhar K

PROVISIONAL OFFER OF ADMISSION

Date of Issue: 09/12/2025

Programme: Professional Certificate in AI Engineering & MLOps

We are delighted to offer you **Provisional Admission** to the **Professional Certificate in AI Engineering & MLOps** from **BITS Pilani**, An institute of eminence as declared by the Ministry of Education, reflecting its commitment to world-class education and innovation.

This advanced programme is designed for software professionals aspiring to become **end-to-end AI builders** — professionals who can design, develop, deploy, and scale AI powered applications in real-world environments. Over about 36 weeks of applied learning, industry-aligned capstone work, and dual mentorship from Industry experts and faculty, you will develop the skills to build production-grade AI systems and modern MLOps pipelines.

The offer is based on the educational and professional profile submitted by you. The application indicates your inclination for a practice-intensive, industry-oriented programme in one of the most sought-after technology domains globally.

Important: Applicants are expected to have basic proficiency in Python. While any graduate meeting the eligibility criteria can apply, those with little or no prior exposure to programming may find some courses challenging. To support such learners, BITS Pilani Digital offers a 4-month Python preparedness program focused on building essential computational and coding skills required for success in the AI Engineering and MLOps program. Eligible applicants can either join directly or first complete the Python preparedness program before enrolling in the AI Engineering and MLOps.

Your selection reflects your demonstrated technical foundation and readiness for a **practice-intensive, industry-oriented programme** in one of the most sought-after technology domains globally.

Next Steps to Confirm Your Admission

To secure your seat in this cohort, please complete the below payments as per the payment deadlines specified in this offer letter:

Programme Fee Summary

Component	Amount (Excl. GST)	GST (18%)	Total
Application Fee (Non-Refundable)	Rs 1,272	Rs 228	Rs 1,500
Admission Fee (Non-Refundable)	Rs. 12,500	Rs. 2,250	Rs. 14,750
Tuition Fee (EMI Options Available)	Rs. 83,500	Rs. 15,030	Rs. 98,530
Total Payable	Rs. 97,272	Rs. 17,508	Rs. 1,14,780

Secure Payment Links

Payment Component	Link	Payment Deadline
Application Fee + Admission Fee (Non-Refundable)	Pay Now	12/12/2025
Tuition Fee (EMI Options Available)	Pay Now	19/12/2025

Upon successful payment & document verification, you will receive:

- Official BITS Pilani Digital student credentials
- Programme orientation & onboarding schedule
- Access to the learning platform (before programme start)
- Program Calendar indicating the schedule for learning, live-classes, labs, projects, assessments etc.

We look forward to welcoming you to BITS Pilani Digital and seeing you grow into an **industry-ready AI Engineering and MLOps professional**, capable of building and scaling

impactful AI products that shape the future of intelligent systems.

Best wishes,

Rajiv Tandon
Chief Executive Officer, BITS Pilani Digital
Strategic Initiatives & Industry Research Partnerships
Birla Institute of Technology & Science, Pilani

I, Sreedhar K, have read and understood the [BITS Pilani Education Policy for certificate programs](#) and I hereby accept the provisional admission offer to the **Professional Certificate in AI Engineering & MLOps** at BITS Pilani.

I promise to abide by the Rules and Regulations of the Institute, uphold academic integrity and discipline, and fulfil all programme requirements responsibly, including timely payment of fees.

I acknowledge that in all academic and administrative matters, the decision of the **Vice-Chancellor, BITS Pilani**, shall be final and binding on me.

I understand that upon confirmation of admission and document verification, I will be enrolled in the upcoming cohort.
